The rafters were last seen at GPS coordinates 38 59' 16"N -122 32' 24"W. LDO coordinated the request. **Update: At 1257 hours**, CHP H30 out of Napa accepted the mission. **Update: At 0413 hours**, LCSO advised all rafters located alive and well. CHP H30 back at home base. **Mission Closed**
- **OHV Accident via SPOT Satellite phone, 5/15/2016, 1316 hours**, IERCC advised of receiving a direct call to their communication center from a reporting party using a "SPOT" satellite phone advising of an OHV accident involving a 10 year old boy at the Gold Note OHV trail park. IERCC reports the caller was unable to provide GPS coordinates or a better location of the accident and because of a poor connection was unable to get any further information before being disconnected. All repeated attempts to reconnect to the caller was either poor connection or went to voice mail with no additional information being learned. IERCC said they were unable to cross reference the caller's number with their records to obtain any information regarding the caller or the caller's emergency contact information. LDO followed up with El Dorado National Park Service, Amador and El Dorado County Sheriff's Dispatch. **Update: At 1359 hours**, LDO talked with El Dorado County Sheriff's(EDSO) dispatch and learned they had received a medical aid only call at 1336 hours where a 10 year old boy was treated for minor injuries sustained in an OHV accident. The location of the accident was at GPS coordinates 38 33' 59"N -120 30'44", which plotted on Road 68 within the Gold Note OHV trail park. At 1404 hours, LDO updated IERCC. **Assignment completed with no mission number assigned**

- **2016-LAW-22651, 5/15/2016, 0948 hours**, AFRCC advised of an ALNOT for a Cessna 182, Tail #N133BW, which fell off radar and radio contact at 0829 hours. Last Known Position of the aircraft before losing radar contact was GPS coordinates 34 13' 55"N - 118 08' 34"W heading East at 4,000 ft. The aircraft had an identified pilot but it was unknown if any other passengers were aboard. The aircraft departed Montgomery Field Airport (MYF), San Diego County at 0737 hours and arrival airport was Santa Monica Airport (SMO) Los Angeles County. AFRCC advised ramp checks were being conducted with negative results at Santa Monica Airport. At 0950 hours, LDO requested CSWC send out CLETS messages advising the ALNOT to San Diego, Orange, Los Angeles, and Ventura County WP's. At 1002 hours, AFRCC advised a Civil Air Patrol (CAP) I/C had been assigned the mission with CAP resources being deployed. **Update: At 1027 hours**, Cap IC advised Los Angeles County was working a report of a possible downed aircraft near Mt. Wilson and it was unknown if related to the ALNOT. At 1032 hours, LDO confirmed with Los Angeles County Sheriff's Department Emergency Operations Bureau (LASD EOB) that they had received reports of the downed aircraft and believed were related to the ALNOT. LASD advised they were assuming the investigation and search. CAP resources continued their investigation to assist in the search. LASD advised due to heavy fog they were unable to launch any air units but were deploying SAR ground teams from Montrose, Alta Dena, Sierra Madre, and Antelope Valley. LASD made no requests for any additional SAR resources. **Update: At 1627 hours**, LASD advised Air-5 had located wreckage with one deceased 4 miles north of Alta Dena near Brown Mountain confirming tail number belonging to the missing Cessna 182. LDO updated CAP IC and AFRCC.
